About the Farm

Hi Point Guest Ranch is a beautiful family-owned farm in Duncan, BC. Hi Point is home to Dabble Cannabis Co. a licensed outdoor cannabis farm, where we grow and produce sungrown cannabis. We want to share the beauty of our farm and our love of cannabis with people from across the world.

Hi Point is the ultimate cannabis tourism package; featuring cannabis-friendly accommodations, farm tours and soon, a farm-store and tasting lounge where you can enjoy Dabble Cannabis Co. products.

The farm is conveniently situated just 10 minutes from downtown Duncan (located in the middle of all 3 mainland to Vancouver Island ferries) and is a short walk to the Trans Canada Trail - which spans from Nanaimo to Victoria and is perfect for walking or bike riding.

We offer private educational tours of our cannabis facility, and in addition, we offer premium hay and beef sales, as well as equestrian rentals and events.
